Lap Swimmers Lane Etiquette Guide

By following these simple suggestions you can help to create a safe and enjoyable swim session for yourself and others:

- Please swim on the left-hand side of the lane.
This avoids the possibility of any head on collisions
- Check the lane speed signs and select the lane displaying the appropriate speed for your swimming ability
- Give way to faster swimmers by allowing room for them to pass
- When overtaking ensure your legs, feet, arms and hands are not going to contact the other swimmer
